

Joiner Data Sheet

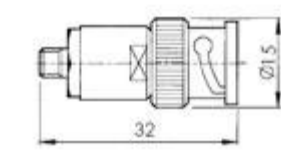

TB
TNC bulkhead socket

Case material : nickel plated brass
Max. temp. : -55/+155°C

BJ
Inline joiner for Microdot plug & BNC socket

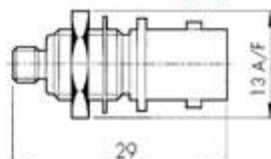

Case material : nickel plated brass
Max. temp. : -55/+155°C

TJ
Inline joiner for Microdot plug & TNC socket

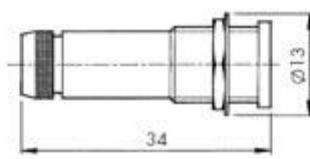

Case material : nickel plated brass
Max. temp. : -55/+155°C

BB
Bulkhead joiner for BNC plug & Microdot plug

Case material : nickel plated brass
Max. temp. : -55/+155°C

LB
Lemo mini twin bulkhead socket

Case material : nickel plated brass
Max. temp. : -55/+230°C

All dimensions are approximate in mm

MB
Bulkhead joiner for Microdot plug

Case material : gold plated brass
Max. temp. : -60/+250°C

MJ
Inline joiner for Microdot plug

Case material : gold plated brass
Max. temp. : -60/+250°C
Fitting tool : FT2
